.....
* - fill in from substitute list

What's Important?

Lots of stuff. But, I'll mention only a few pertinent things here.

- 20 minutes before Mass is a good time to be there for prep and to make it known that one will actually be doing one's scheduled ministry.
- Clean up.
- When taking Communion to the shut-ins, remember the bulletin and other notable parish matters.
- Switch, call a sub; arrange for the times you cannot make your scheduled ministry.
- And, as Pope Paul VI said,

*The Eucharist is the privileged summit of the meeting of Christ's love for us;
a love that is made available for each of us,
a love that is made to be sacrificial lamb and food for our hunger for life.*

"He loved me and gave Himself up for me."

...with this in mind, one could remember that not only as extraordinary ministers of Holy Communion, in the church or at the shut-ins' places but also, anywhere and at any time, with whatsoever one may be doing,

BE EUCHARIST TO OTHERS.
